**V. PERMIT TERM: 2/1/2023 THROUGH
1/31/2024**

An Operating Permit authorizes groundwater production for the 12 month permit term indicated.

VI. Authorized withdrawal for term of permit: 16,000,000.00 gallons
(Based on requested or historic use and not limited)

CONDITIONS OF PERMIT:

- Groundwater produced will be put to beneficial use at all times
- Groundwater will be used at the physical location of the well, unless otherwise noted on the approved application.
- Failure to pay production fees as required or conform to the permit conditions or rules of the District may be cause for revocation of the permit.

APPROVED THIS DAY 11/15/2022

Meters should be monitored monthly to avoid exceeding authorized withdrawal. To avoid overage fees, a permit amendment should be requested if readings indicate pumpage may exceed the authorized withdrawal during the permit term.
